Nau mai, haere mai

Many hands make light work

For us as Quakers this phrase has many connotations, and we welcome the lightness that is brought to our community when we come together to work on projects and tasks that are too big or too many for us alone.

There will be a range of tasks; from releasing young trees, building maintenance, trimming branches and tackling weeds to helping in the kitchen or with the children, or a bit of everything. No matter your skill or energy level, there are things to do for all ages and stages!

We welcome newcomers as well as familiar faces to gather with us to work and play.

Adults pay \$7.50 per day for food.
Children (accompanied by an adult)
are free.

No charge for accommodation in return
for your valued work.

*Remember to bring your gumboots and
old clothes. You may want to bring your
own gardening gloves and tools.*

(Please name all your gear).

*Bring swimming gear for fun in the pool
and instruments, poems, stories, songs
and ideas for Saturday night concert:*
